

**Memorandum No. LRS-2022-014**

**TO :** UP DILIMAN STUDENTS

**FROM :**   
**LOUISE JASHIN R. SONIDO**  
Vice Chancellor For Student Affairs

**SUBJECT :** PhilHealth Registration for UP Diliman Students

**DATE :** 20 July 2022

---

In preparation for the re-opening of the UPD Campus for blended modes of learning in AY 2022-2023, a PhilHealth registration booth will be opened for UP Diliman students on 23 July 2022, 9:00AM – 3:00PM, at ISSI Open Plaza, 2<sup>nd</sup> floor, E. Virata Hall, E. Jacinto St., UP Diliman, Quezon City. This event is for UP students only.

Students participating in the registration activity are advised to bring the following:

1. Accomplished [PhilHealth Member Registration Form](#)
2. Birth/Baptismal Certificate with registry number (NSO/PSA) or any valid government issued Identification Card (ID) with date of birth. Please bring photocopy of the supporting document. UP ID is not considered as valid supporting document.
3. COVID-19 Vaccination Card/Passport (completed primary series)
4. UP ID or Form 5
5. Ballpen

Students 20 years old and below are still considered as qualified dependents; thus, they are not advised to register for membership. However, they may still apply for PhilHealth registration subject to PhilHealth's evaluation and approval.

While the registration activity is free of charge, members are expected to pay their premium and contribution after the event through various channels. Information related to payment and benefits will be available during the activity.

All are reminded that availing medical insurance is no longer a requirement for face-to-face learning (see <https://bit.ly/MemoRAG2022-14>), as such, this registration activity is optional and not required by the University.

For guidance.

Thank you.
